

SPRING FLUSHING NOTICE

**Village of Westfield
Department of Public Works
Water**

ATTENTION ALL CUSTOMERS OF THE WESTFIELD MUNICIPAL WATER SYSTEM WATER MAIN FLUSHING ALERT

The Village of Westfield Water Department will be flushing hydrants within the water district during the weeks covering from Monday, May 2nd through Friday, May 20th weekdays from 7:00 a.m. to 3:30 p.m. It will start at the west side of the Village and then progress to the East side going from the highest point (South) and proceed to the lowest end (North).

Flushing will cause roily water. Residents should stock a supply of water for drinking and cooking before flushing begins. Care should be taken not to draw the roily water into hot water tanks, heating systems and especially clothes washers.

Any questions or concerns please call 326-2832.
